

	DEPARTMENT OF AGRICULTURE, FORESTRY AND FISHERIES DIRECTORATE ANIMAL HEALTH
	REMOVAL PERMIT FOR LIVE BIRD SALES
DIRECTORATE:	ANIMAL HEALTH

A live bird buyer may not remove birds without this permit signed by a veterinarian or Animal Health Technician or other delegated authority.

I the undersigned, registered Veterinarian/ Animal Health Technician/Delegated Authority (delete that which is not applicable)declare that to the best of my knowledge and understanding after due enquiry, the poultry flock

on.....farm,
housed in.....

houses, is not currently experiencing greater than normal mortalities or clinical signs suggestive of Highly Pathogenic Avian Influenza as of:

Date:.....Time:.....

Description of Birds (breed, number, age, etc)

.....

The flock may thus be removed by the following Live Chicken Buyer/Trader:

.....

Signed:

Date:

.....

Name of the Veterinarian/Animal Health Technician/other delegated authority:

.....

Conditions of this permit apply to Live Bird Buyers and Sellers and are subject to the Conditions indicated in the Protocol for the Sale of Live Birds:

- 1. Flocks must be removed within 36 hours of the date of this permit.**
- 2. This permit does not constitute a movement permit across any provincial or international boundaries.**
- 3. If any unusual mortality is experienced after removal, the Live Bird Buyer is obliged to STOP selling these birds and consult the nearest State Veterinary Authorities without delay.**
- 4. Farmers wishing to have a flock depleted must contact a registered Veterinarian or Animal Health Technician or other delegated authority.**
- 5. Live Bird Buyers/Traders will be audited to check that valid documentation was received for all removals.**
- 6. Live Birds and eggs on farms within a surveillance zone may not be moved without the express permission of the State veterinarian or other Delegated Authority.**
