

# KWENA CAVIN MOJAPELO

## Objective:

I have completed my National Diploma in Animal Production at the Tshwane University of Technology, which I enrolled for due to a keen interest in the field of Agricultural sciences. I have been in the Poultry industry for 2 years. I have done Layer/breeder Production. I am a person who works smart, learns fast and strives towards precision and accuracy. Currently working for RCL Foods in the broilers, as Poultry Man. I have been exposed to acting as an Assistant farmer when I was working in the breeders.
