

Poultry Bulletin

OFFICIAL MAGAZINE OF THE SOUTH AFRICAN POULTRY ASSOCIATION

Secure your spot in Poultry Bulletin!

The award-winning Poultry Bulletin is an **easy-to-read**, modern magazine packed with information, success stories, real people, investigations and analysis of the issues that are important to everyone in the poultry industry in South Africa. It won silver and bronze awards for excellence at the SA Publication Forum Awards.

Every issue is built around a **central theme**, from Trade, Health and Sustainability to Feed, Technology, Transformation and more. We include the voices of industry experts and feedback from farmers across the spectrum of the sector.

At a time when our reality still includes Covid-19 and the restrictions it imposes on events and gatherings, Poultry Bulletin provides that **essential platform** where industry issues, concerns, and achievements are unpacked, addressed and showcased.

Our industry is proud to be the largest contributor to South Africa's agricultural sector, and **your voice is important**. Poultry Bulletin will amplify that voice so that it is heard in every corner of the country.
